

# SOCKS FOR SENIORS 2022

RE: Socks for Seniors 2022

Dear Pocatello Eye Care,

Thank you for your valuable contribution to the **Socks for Seniors 2021** Stocking Drive. With the amazing support received from you and other partners, the **Socks for Seniors 2021** Stocking Drive gifted 856 stockings to seniors in Pocatello and Chubbuck – the highest amount since the program was adopted by SEICAA! Your contribution helped many senior citizens close a challenging year with a brighter ending.

As we prepare for what we hope will be another successful **Socks for Seniors** Stocking Drive in 2022, we want to reach out regarding your ability to sponsor the program. The **Socks for Seniors** Committee aims to gift 1,000 stockings to seniors in need this year and your continued sponsorship helps ensure we reach our goal.

If you would like to continue your sponsorship for the **Socks for Seniors** Stocking Drive, please complete the form below on how you would like to support the program and return this letter to

**Attn: Socks for Seniors; 641 N 8th Ave., Pocatello, ID, 83201** at your earliest convenience.

Warmest regards,
